

REMARKS

The specification has been amended as needed so as to remove parentheses.

As to the spacing between words and sentences, this is the inevitable result of line justification. In other words, either you have a jagged right margin or you have a straight right margin. If you have a jagged right margin, you can use standard spacing between words and sentences. But if you want a straight right margin, then your spacing has to vary accordingly, and there is nothing that anybody can do about this.

In view of the present amendment and the foregoing remarks, therefore, it is believed that this application has been placed in condition for allowance, and reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,
